## SIEMENS

## Product data sheet

CONTACTOR RELAY LATCHED, 3NO+1NC, DC 24V, SIZE S00, SCREW TERMINAL

| General technical data:                                       |    |                        |  |  |
|---|----|------------------------|--|--|
| product brand name  |    | SIRIUS                 |  |  |
| Size of the contactor   |    | S00                    |  |  |
| Identification number and letter for switching elements       |    | 31 E                   |  |  |
| Product extension / auxiliary switch                          |    | Yes                    |  |  |
| Protection class IP / on the front                            |    | IP20                   |  |  |
| Protection against electrical shock                           |    | finger-safe            |  |  |
| Degree of pollution   |    | 3                      |  |  |
| Insulation voltage / with degree of pollution 3 / rated value | V  | 690                    |  |  |
| Installation altitude / at a height over sea level / maximum  | m  | 2,000                  |  |  |
| Ambient temperature   |    |                        |  |  |
| during storage  | °C | -55 +80                |  |  |
| during operating  | °C | -25 +60                |  |  |
| Shock resistance  |    |                        |  |  |
| • at rectangular impulse                                      |    |                        |  |  |
| • at DC   |    | 10g / 5 ms, 5g / 10 ms |  |  |
| • at sine pulse   |    |                        |  |  |
| • at DC   |    | 15g / 5 ms, 8g / 10 ms |  |  |
| Impulse voltage resistance / rated value                      | kV | 6                      |  |  |
| Mechanical operating cycles as operating time                 |    |                        |  |  |

| <ul> <li>of the contactor / typical</li> </ul>   |                            | 5,000,000                                       |  |
|--|----------------------------|---|--|
| <ul> <li>of the contactor with added auxiliary switch block / typical</li> </ul>   |                            | 5,000,000                                       |  |
| of the contactor with added electronics-compatible auxiliary   |                            | 5,000,000                                       |  |
| switch block / typical   |                            |   |  |
| Control circuit/ Control:  |                            |   |  |
| Voltage type / of control feed voltage   |                            | DC  |  |
| Control supply voltage   |                            |   |  |
| • for DC / rated value   | V                          | 24  |  |
| Operating range factor control supply voltage rated value / of the magnet coil   |                            |   |  |
| • for DC   |                            | 0.8 1.1   |  |
| Holding power / of the solenoid / for DC   | W                          | 4   |  |
| Pull-in power / of the solenoid / for DC   | W 4                        |   |  |
| Closing delay  |                            |   |  |
| • at DC  | ms                         | 30 100  |  |
| Opening delay  |                            |   |  |
| • at DC  | ms                         | 25 90   |  |
| Arcing time  | S                          | 10 15   |  |
| Auxiliary circuit:   |                            |   |  |
| Contact reliability / of the auxiliary contacts  |                            | 1 faulty switching per 100 million (17 V, 1 mA) |  |
| Number of NC contacts / for auxiliary contacts / instantaneous switching   |                            | 1   |  |
| Number of NO contacts / for auxiliary contacts / instantaneous switching   | -                          | 3   |  |
| Operating current  |                            |   |  |
| • at AC-12 / maximum   | А                          | 10  |  |
| • at AC-15   |                            |   |  |
|  |                            |   |  |
